The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header features the logo 'Manuscript Peer-Review Process' and contact information: 'Email: support@iesrf.in', 'editorial@iesrf.in', and 'Support: +91-11-839414, 839415 | 9826429446 | 88'. A navigation menu includes 'About MPRP', 'Journals', 'Support and Training', 'Contact Us', 'Track article status', 'Register', and 'Login'. The main content area is titled 'Manuscript Peer-Review Process' and describes the web-based portal's 24/7 availability and editorial services. It includes an illustration of a person at a computer. A section titled 'Why MPRP?' is partially visible at the bottom.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt. Ltd, which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your

CONTENTS**Original Article:****Prevalence of the aerobic infections among cases of skin grafting in a tertiary health care centre 101-105***Mallikarjun Koppad, Vedavati B.I, Halesh LH, Vijay A***Analysis of urine culture isolates from microbiology laboratory of a tertiary care Hospital 106-108***Rahul B Lunagaria, Nisarg A Trivedi***Clinical isolates of Klebsiella pneumoniae and its virulence factors from a tertiary care hospital 109-112***Kalaivani Ramakrishnan, Jenitha Johnsi P, Seetha K.S***Neonatal sepsis due to ESBL producing Klebsiella 113-116***Anitha T.K, Anuradha K***Isolation, identification and antibiogram of Oxidase negative non fermenting gram negative bacilli from the clinical specimens 117-122***Najmun-Nissa, Sardar Ahmed, Manisha Singh, Sreekanth Basireddy***Analysis of rheumatoid factor and anti-cyclic citrullinated peptide in individuals with rheumatological disorders attending a tertiary care hospital 123-125***Meenakshi Subramanian, Ananthakrishnan Parthasarathy***Detection of carbapenem resistant enterobacteriaecae and the comparison between phenotypic methods and multiplex PCR 126-130***Rubhana Qadri, Suhail Ahmed, Dalip K Kakru, Gulnaz Bashir, Bashir Fomda***Fungal isolates from diabetic amputations: Histopathologic spectrum and correlation with culture 131-134***Rajpal Singh Punia, Vikram Jassal, Reetu Kundu, Jagdish Chander, Ashok Kumar Attri***Current antimicrobial susceptibility pattern of uropathogens in a maternal and child health care hospital in Bangladesh 135-141***Ritu Saha, Afzalunnessa Binte Lutfor, Arpita Deb, Taskina Akhter, Tamanna Sultana***Prevalence and drug resistance pattern of Citrobacter sps - A retrospective study 142-145***Sodani Sadhna, Ranjana Hawaldar***A comparative study of post injection bacterial isolates in deltoid and gluteal abscesses in a tertiary care hospital in Kashmir 146-149***Amrish Kohli, Roomi Yusuf, Afreen Rashid, Sumaira Qayoom, Syed Khursheed***Incidence of ventilator associated events among intubated patients in neurosurgery ICU of a tertiary health centre in India 150-152***Andrew Thomas, Ashish Jitendranath, Ivy Vishwamohanan, Geetha Bhai,*

Sarika

Prevalence of Extended Spectrum Beta-lactamase (ESBL) producing Enterobacteriaceae from clinical samples in a tertiary care hospital in Mumbai 153-157

Sofia C. Patel, Sunayana. M. Jangla, Raji Pillai, Uma Chaturvedi, Umesh Gami, Bhupesh Macchi

An assessment of awareness and practices towards standard precautions among staff nurses at a tertiary care hospital in South Karnataka: A cross sectional study 158-161
